

CENTRE HEALTH MEDICAL CENTRE  
WOONONA

# **RECALL AND REMINDER SYSTEM**

Our practice is committed to preventative care. If you have an abnormal test result and it is non-urgent, you will be sent a letter advising you to see the doctor. However if your result is urgent and requires immediate attention you will receive a phone call from our receptionist. We may issue you with a reminder notice from time to time offering preventative health services appropriate to your care. If you do not wish to be part of this system please advise staff.
