

# This practice is accredited

*Do you know what that means?*

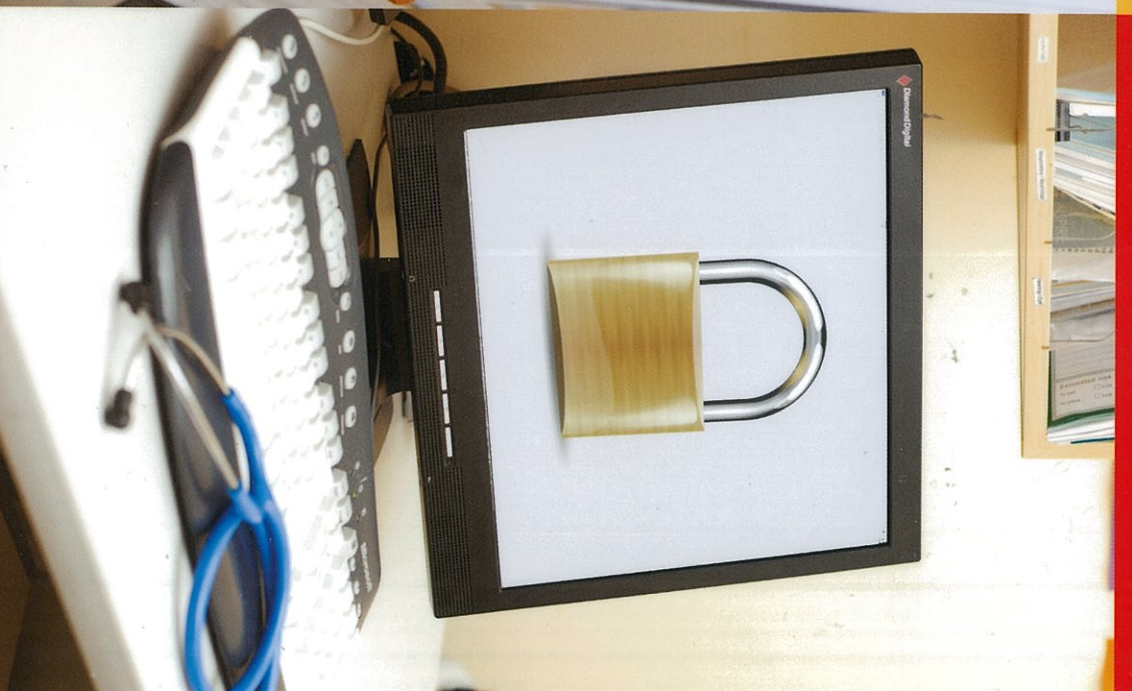

This means our practice meets strict standards set by the Royal Australian College of General Practitioners:

*All our instruments are sterilised to ensure you are safe from infection*

*We make sure your vaccines stay at the right temperature so they work*

*Security measures ensure that your medical records stay private*

The Royal Australian  
College of General  
Practitioners

Developed jointly by Dandenong Casey General Practice  
Association Division Advisory Group and the RACGP
