AFTER HOURS CARE

Please call 000 in case of an Emergency We recommend patients call Illawarra Radio Doctor Service for afterhours care on 42285522. Saturday mornings - 8am – 1pm are not covered by Illawarra Radio Doctor, if you need medical care during this time, we suggested you attend our sister practice in Barrack Heights – Ph: 42959999 Open Saturday mornings 8am – 2pm. Alternatively, please call the After-Hours GP Helpline on 1800022222.

MANAGEMENT OF PERSONAL INFORMATION

Medical records - is a broad term, encompassing a range of data and information storage mediums containing patient information. Whether paper based or electronic, the term "medical records" applies to, clinical notes, investigations, letters from other doctors and healthcare providers, photographs, and video footage.

Your medical record is a confidential document. The records are the property of the practice, and it is the policy of the practice to maintain the security of personal health information at all times, and to ensure that this information is only available to authorized members of staff and healthcare providers. If you wish to transfer your medical records to another practice you will need to sign a transfer of records release form, from your new practice and send that through to our practice along with the necessary transfer of records payment of \$50.

Where Everything Centers on Your Health

HOME VISITS

Please call 000 in case of an Emergency

A patient can arrange for a home or other visit, or a general practitioner may request to see a patient in their place of residence if the following criteria are met:

The patient is a regular patient of CHMC.

The patient resides in a location that is within 5km radius of the practice.

The patient pays a fee of \$300.

Where it is safe and reasonable.

The practice has the correct contact details for the patient on file, and

- The patient has the type of problem that necessitates a home visit such as:
 - Acutely ill
 - o Immobile
 - o Elderly
 - Unable to access the practice facilities due to disability.

The GP approves the visit in advance.

FEES AND BILLING

We are a private billing General Practice. Please see our website for a list of common fees and GAP payments. If you do not have a Medicare card, there will be an average non-rebateable private fee of \$90 per consultation (this may vary depending on the length of your consultation). This is payable on the day. A receipt will be issued to enable you to claim with Medicare if you are eligible.

APPOINTMENTS & EMERGENCIES

Emergencies are given priority, and our reception staff will attempt to contact you if your GP has been called away. Longer consultations are available; please ask our reception staff if you require extra time.

Make appointments easier and faster online, go to www.centrehealth.com.au or call 42715115. Every effort will be made to accommodate your preferred time and doctor.

COMMUNICATIONS POLICY

Doctors may be contacted during normal opening hours. We value our patients concerns, so please leave a message with our receptionist and the doctor will return your call between patients when possible. Our reception staff will do the best to triage and assist you and your needs. Electronic communication is discouraged due to privacy issues. Please see our website for our full email policy.

RECALL AND REMINDER SYSTEM

Our practice is committed to preventative care. SMS messages are now predominantly being used as a reminder service for appointments and recalls. If you have an abnormal test result and it is non-urgent, you will be sent an SMS or a letter advising you to see the doctor. (Consent of an appointment reminder or recall via SMS is now an acceptable community standard, and a patient providing a mobile telephone number is deemed to have agreed to that mode of contact.) However, if your result is urgent and requires immediate attention you will receive a phone call from our receptionist. We may issue you with a reminder notice from time to time offering preventative health services appropriate to your care. If you do not wish to be part of this system, please advise staff.

HEALTH INFORMATION COLLECTION AND USE

As a patient of our medical practice, we require you to provide us with your personal details and full medical history, so that we may properly assess, diagnose, treat and be proactive in your health care needs.

For more information about how we collect and use your health information please see our Privacy Policy.
